It is important to remember, put what little we have into God's hands, and watch we HE does! By the worlds view, we are a very small congregation. We continue to remain faithful, share God's love, teach and encourage.

We will encourage each other with the difference that God is making in Our lives through answered prayer and the work of His Spirit. We can often see what He is doing in our community through our ministry (food distribution, working to unite believers, impacting our schools, and local leaders). We talk about those we have sent out and missions we support.

Let us realize as well how God is using our website and social media to reach even further. During this past month God has encouraged believers in **19 States** (Michigan, Ohio ,Indiana, Illinois, Kentucky, Tennessee, Georgia, Florida, Missouri, New Mexico, New York, Virginia, California, Oregon, Iowa, North Carolina, Kansas, Massachusetts, Maryland) and **11 countries** besides the United States (Germany, Philippines, Uganda. New South Wales, Pakistan, India, Nigeria, Kenya, Ghana, and Tanzania). These are being blessed through daily posting of a couple verses of scripture and a very brief application question or comment.

And
now
God is

bringing into partnership with us: They are from a Nazarene church in Flint and will join us in December. A van will be in our parking lot where parents can go and get clothes, diapers and winter coats for infants and toddlers!

**Christmas Gift

Distributed**

Our annual help for the holiday; Gift Card Distribution will take place the week of December 15th. If you know of a family you would like for us to help; please let Paul know.
