Much of Buddy’s ministry these days is done online through his daily Facebook posts. The continue without hindrance during the COVID19 pandemic. He and Judy are among the higher risk so it is imperative that they keep away from those that might be carrying the “bug”.

Pray that God will continue to speak through Buddy’s daily posts and keep Judy and him safe through this.

**David & Dawn
(Berry) Degler
A Christian
Ministry in the
National Parks**

Limiting social contacts provides additional delays and obstacles to recruiting and training workers for this coming season at the National Parks. As you can see by their goals for this coming season...

- Award 35 scholarships
- 100 Bibles to International coworkers
- 35,000 impactful interactions
- Serve in 45 National Parks
- Lead 1,400 Worship Services
- Increase Team members to 275 (26% increase)

We can be praying for God to raise up workers, enable time for training and provide the financial resources necessary.

Pray for God to Bless. Keep David, Dawn, their family and ministry in prayer, there in Colorado!

David Anderson

David continues his service in the Navy as well as his studies and service in a home church. His independent studies will not be hampered due to covid19 restrictions, but we need to be praying for the congregation he works with along with his work and exposure in the Navy.
