Mission of the Month:

A non-profit charity organization known as Love Inc. operates in Genesee County Michigan. Dozens of churches partner with the organization in an effort to help the working poor, low income and less fortunate. While all of the resources are very limited, some examples of what may be offered includes clothing, food, referrals, and other support. Many requests will also need to be denied due to limitations. The assistance programs from Love, Inc. are for low income and otherwise qualified Genesee County families and individuals that have a referral. That can be provided by churches, faith based

organizations. Mailing Address:

WE ASK YOUR HELP!

If you think you could be sick
with covid19; we ask:

- Be seen by a doctor
- Get tested
- Stay Isolated at home until better (let us know if you need someone to pick up medications, or food from store, etc.)

For the healthy; we offer
masks, hand sanitizer, disinfectant

wipes, personal pre-wrapped
communion, if wanted.

KEYS TO GETTING ALONG

- Remember HISTORY and what has brought us to where we are at
- Appreciate others and their contributions
- Not Everyone will see things YOUR way
- Love and forgive them as you want to them to love and forgive you
- Focus on what we have in common
- Realize that everyone is important and can make our world better
- Know that Satan wants to create division and hate
- Jesus ALONE can UNITE and teach us to love

Whether it's a "Favorite Business"
or Schools please:

- Be Patient
- Be Kind
- Pray for God to guide
- Remember God has better days in store for YOU!
