Lowell and Judy celebrated Thanksgiving in a different way. Usually the family meets in a large group to celebrate, but this year, they had a “traditional” thanksgiving decoration on the table and get together through online video.

Continue to pray for Lowell and Judy as they strive to glorify God, spread the Word and meet needs!

National Parks**

The ACMNP Facebook page has updates on lives that were touched this past summer, despite COVID. These are also posts as they begin work for the 2021 season and what it MIGHT bring.

This past year has taught us that we do not know what the future holds, but we need to always be looking to God for guidance and help.

**David Anderson**

Leaving Hawaii or visiting in Hawaii is complicated by the 14 day quarantine. David continues to serve with the Navy and with the local home church ministry.

Continue to pray for David and his faithfulness during these difficult times.

**God Raises up Preachers**

25 additional preachers are being prepared to go out to the

villages in India.

They try to continue despite the cyclone and heavy rains that they have to deal with. The instructors volunteer their time, while trying to support their families.

Continue to pray for these students and teachers.
