Mission of the Month:

**Great Lakes
Christian College**
Intellectual, Spiritual & Personal Growth
OFFERS DUAL ENROLLMENT for
High School Students

Since high schools have moved all learning online for the remainder of the year, now is the perfect time for dual enrollment. Get a jump on your college courses now!

Our research shows that while most school districts have done an amazing job switching to distance learning, the amount of school work is much less than in-class instruction.

Since some high school students have much more time on their hands, it is the perfect time for dual enrollment. Great Lakes offers a complete online dual enrollment 5-wk classes and degrees. It can integrate seamlessly into the online work you are already doing for high school right now.

WHAT IS DUAL ENROLLMENT?

Dual Enrollment is a program that allows public, private, or homeschooled high school students to

Pine Run Church of Christ

enroll in courses at Great Lakes Christian College for credit prior to high school graduation. College credits earned through dual enrollment may be applied toward high school and college graduation and may be transferred to other colleges or universities. The Associate of Arts degree allows a student to do coursework in Bible Theology with some General Studies while building a foundation of Christian values for life.

WE ASK YOUR HELP!

If you think you could be sick with covid19; we ask:

- Be seen by a doctor

- Get tested
- Stay Isolated at home until better (let us know if you need someone to pick up medications, or food from store, etc.)

For the healthy; we offer masks, hand sanitizer, disinfectant wipes, personal pre-wrapped communion, if wanted.

“Pre-Packaged Communion”

Feel free when worshipping with us, to pick a few “pre-packaged Communion” to keep at the house. These will be helpful if you find yourself ill and unable to attend service, but want to partake of communion as you follow our “live stream” service. They do not need to be refrigerated.

That time is coming right after Thanksgiving. If you want to volunteer to help (greens outside, wreaths on doors, greens inside, decorations inside, poinsettia plants placed, bulletin boards, etc.) let Paul know what you want to help with. He can make sure you have what you need. You can work alone or invite others to join you.

**Celebrating
Jesus’
Birth**

We will be blending our daily Bible Reading with aspects of the Christmas accounts in our December services. We will also be featuring Christmas Carols throughout the month.
