Mission of the Month:

Great Lakes Christian Homes is a not-for-profit organization that exists for the purpose of meeting the physical, social and spiritual needs of the aging population with support services.

- **Programming and Socialization**
- **Family involvement**
- **Spiritual Support**
- **Professional Standards**

Great Lakes Christian Homes is located on a 40 acre site in the greater Lansing Michigan region. The picturesque landscaping and the scenic view around our community enhances the tranquility of our Main Building and Villa Apartments. The well lit, beautifully furnished common areas are an inviting setting to visit with neighbors.

We enable you to live an independent lifestyle on your own terms. Full sized stoves and refrigerators equip you to decide how much you prefer to cook. All our apartments offer the convenience of ground floor access and ample parking.

Keep Tim St. Louis and Amy Dobyns have returned from their mission trip to Liberia. We have been forwarding their reports on our Facebook page. They saw new classroom that Mission Giving at Rock Lake had made possible, visited leper colony, met with children from school, visited a prison (where they were able to solve problem of impure drinking water through the work of HOPE2 Liberia) and many other stories of God at work!

Registration for 2020 Camp Season begins in February!

INDIA Connections

We have many contacts in India that we hear from regularly. In February, Deb's niece, Lori Webster will be heading to India for two months of mission work. She will be meeting up with a couple of our contacts while she is there. Please continue to pray for work in India and safety and God's blessings on Lori's travels!

PAKISTAN Connections

In January, we have had the opportunity to encourage believers in Pakistan. We were also able to video broadcast messages to the children (January 19th) and the adults (January 26th). The children's program featured a puppet show that told of Jesus and His love for children. The adult program focused on our hope in Jesus and the strength it gives in difficult times; including persecution. Follow up broadcasts have been scheduled for February (16 & 23).
