Remember to pray for
School Administration

God continues to work far beyond our ability to comprehend or imagine. Work with our contacts around the world this past month has resulted in:

- Leadership Training School started in India
- Seminars led in Pakistan (one for children/one for adults)
- Bibles provided in India
- Orphans helped in India
- Prayer for Philippines following typhoons/volcano
- Lessons provided for children in Uganda
- Counsel provided for new work in Philippines
- Counsel for work in Atlanta, GA
- Counsel for work in local congregation nearby
- India ministers gathering to encourage
- Encouragement for those struggling with health conditions (they or family)
- Instigating work to help contacts with supplies/resources
- Expansion of outreach to now reach 28 countries
- Provide study resources for workers overseas
- Daily devotions provided
- Prayers lifted up for various ministries
- Prayer support for Mission trips to Liberia & India by extended family members

Who, but GOD could accomplish all that through our ministry/resources; despite services being canceled for consecutive weeks?

Food Distribution Begins 2nd year!

**Saturday:
February 8th
10 am- 1 pm**

Bethany United Methodist

Praise God for His ability to see that over 8,600 lbs of food was distributed on a stormy day (including ice by 10 am) despite just having 2 volunteers on site when the food arrived in a downpour at 7:30 am. Some recipients were willing to help get food unloaded; we started as soon as food was in place (rain was going to quickly destroy all the food in cardboard boxes!). Participation was down, some additional volunteers showed up as the morning went on and all food was handed out! Overwhelming majority of people made it home before the ice came.

VOLUNTEERS

The storms did a number on our facilities this month. On one occasion, God brought a snow plow driver by to finish cleaning the parking lot... later that week, a young person to help clean the basement carpets after flooding! **GOD**

IS GOOD!
