Helping  
With  
LIFE

We have turned from focusing on "staying open" to "how can God use us". This has resulted in a remarkable transition. We have gone from looking at our own community and 10 missions that we financially support to a much broader impact. In less than a month we have expanded from 19 to 29 STATES; 11 to 22 COUNTRIES (not including the US) that we are touching with the Gospel! The back wall of the auditorium features a world map with pins indicating the States and countries where we have daily contacts.

Most obvious impact, is the daily sharing of a portion of our Bible Reading and a brief thought. This is encouraging workers around the world. A handful of countries are now learning about other workers in their country and forming bonds and support. They are receiving critical information and praying for work in other countries. We are learning of needs and able to help respond.

On December 30, Tim St. Louis and some others from Rock Lake Christian Assembly will travel on a Mission Trip to Liberia with HOPE2. We have established contact with 3 individuals in that country who are excited about their coming and hope to be able to meet up with them.

To keep the congregation informed, we put together a PowerPoint presentation on a

different country and present it just prior to our worship service. It presents background information on the country, along with contact information and the type of ministry they are involved with.

### **Pine Run Church of Christ**

God has worked so mightily through this ministry in December:

- Around 500 people
- Nearly 14,000 lbs of food
- 5 churches represented
- Coverage in local paper
- Financial support from Clio Area Ministerial Association & Food Bank of Eastern Michigan

Thankful for New Covenant Church commitment of \$1000 to this ministry in addition to all of the other congregations support!

### **Christmas Gift Cards to be Distributed**

The congregation responded with generosity in December. \$400 was given to help families in our community. 12 households received assistance. 6 of those have direct ties to Pine Run. The remainder were helped through our connection with the Clio Human Services Fund and partnership with the Clio Area Schools!
