## HELPING OUR STATE!

Several years ago, we began to participate in monthly meetings with Community Leaders. This led to:

- School Strategic Planning
- School Education Committee
- Uniting Area Churches
- Food Distribution
- Partnership with Clio Area Human Services Fund
- Food Bank Partner

and other projects and partnerships. These all continue to this day and help us to be seen as vital partners in our community.

Recent events in our State have caused great distress. Covid19, quarantine, jobs lost, people struggling, schools shut, flooding, civil unrest, threat to First Responders and more exasperate and leave people looking for answers and relief.

Jesus said, "I am the Way, the Truth and the Life"; "come to me all who are weary and burdened". We have done just that and looked to Jesus for answers and guidance. What we have found, we sent those ideas to our State Representative and State Senator. After going through the ideas that were put forth, our State Representative has reached out and asked to meet (via Video Conference) with myself and some other local preachers. That meeting is scheduled to take place on June 26<sup>th</sup> at 1:30 p.m.

We are praying for God to speak through us and we will see where Jesus leads!

## Food Distributions

We have held two distributions in the month of June. These saw turnouts similar to pre-covid 19 levels. We served over 788 at the two events COMBINED. During the height of the covid19; we served over 700 people at just 1 event; with over 500 at a second.

We start July with just one distribution planned and will include a full semi-truck of food.

## WE ASK YOUR HELP!

If you think you could be sick with covid19; we ask:

- Be seen by a doctor
- Get tested
- Stay Isolated at home until better (let us know if you need someone to pick up medications, or food from store, etc.)

For the healthy; we offer masks, hand sanitizer, disinfectant wipes, personal pre-wrapped communion, if wanted.

Let us continue to seek GOD'S GUIDANCE and see Him bless!
