**Mission of the Month:**

Great Lakes Christian College has followed the advice of our state and federal government and suspended all face to face classes through the end of the Spring 2020 semester. All classes are now delivered online. A decision on when we hold Commencement will be made at a later time. The campus is closed to visitors until the Stay Home, Stay Safe, Save Lives directive is lifted. If you have questions concerning the college and

the virus, please call 517-321-0242.
