- 21 Relying on the Father
- 28 Taking Best Shot

Sunday Evening

- 7 God Will Avenge
- 14 Look For Direction
- 21 NO EVENING SERVICE
- 28 Changed Lives

While the Governor continues to put off the complete reopening of our State, we will continue to wait to resume all of our regular programs (Evening Worship, Midweek Bible Study, Teen Study and Teen Training).

We CONTINUE to provide Bible Study on Sunday Mornings (9:30) and Worship Service (10:30). We are able to observe social distancing and continue to make sure that precautions are taken to keep the environment healthy.

For those that prefer to stay home until the Governor fully opens the State, we will continue to provide weekly mailings to our members which provide Bible Studies, bulletin and sermon outlines for their use. Our weekly "live stream" on the Pine Run Church of Christ Facebook page will continue to be offered.

We have been pleased to have Lowell & Judy Mason, Greg Huckins, The Cole's, The Demmings, along with our members and contacts from around the world join us for our service. Our recent "high" was over 180 people that viewed our Memorial Weekend Service!

We are thankful for the many people that God has used to make this "live streaming" possible. Some asked, provided instructions, feedback, encouragement, resources, time and/or skill to make it happen.

God continues to bless even through this crisis; enabling us to reach and encourage a greater number of people!

Food Distributions

God has been using the Food Distributions to unite the community, reconnect with active members from our past; besides the obvious: MEETING NEEDS! This has been a critical ministry during this crisis. It has demonstrated to our community that we are willing to help provide them with needed food, even if it means being out of our homes.

The demand has been increasing as the lockdown has continued. We have seen turnouts that provided assistance to around 700 people at our regular scheduled distributions; and over 500 people at an additional distribution that did not receive same amount of publicity (due to time constraints).

We have been blessed with funding from local families, ReMax Realtors, Clio Area Human Services Fund; besides the local congregations. Cost for a "Straight Truck" (around 8,000+ lbs of food) is \$600. During this crisis we are expanding to a semi-truck (over 20,000 lbs of food) for our "regular" distributions. Those wishing to contribute can make checks payable to: CLIO AREA MINISTERIAL ASSOCIATION and send them here to Pine Run, where we will forward them. Every little bit helps as 100% of the funds go to purchase food!

**Saturday: June 6
9 - Noon**
