Mission of the Month:

Though classes do not meet in classrooms-- students are still connected to their professors and classmates – learning, doing homework, taking tests and even socializing.

In the same way, we are also staying connected to students. Some are still around campus, while others have gone home. Either way, we will still be meeting them and challenging them to take the next step in their walks with Jesus.

It's definitely going to take some work to establish new ways of meeting with and discipling students, but we are excited about these new methods of reaching students who are not geographically present. We've built our lives around reaching college

students, and we're not going to let this new coronavirus stop us now. So please pray for God to continue to move on campus. Even if the campus is virtual.

As you may suspect, COVID-19 has impacted His House in several important ways. Due to the Stay Home, Stay Safe order issued by the governor of Michigan:

1. We will not have any in-person meetings or Bible studies until after May 28. Instead, we have found a variety of ways to connect with and minister to students remotely. We are discovering new ways of doing this every day!
2. Our main office staff are working from home and we are still open during our usual business hours (9am to 5pm) to receive phone calls, e-mails, and even mail. And really, we're available after hours too.
3. Our Ministry to the Point team is still excited to move into Cedar Point as soon as the park opens. They're anxious to bring the Gospel to their co-workers there!
4. None of this changes what we do – only how we do it. We are still building relationships with students and talking about Jesus!

NEXT BOARD MEETING:
June 14 following Morning
Worship

June 21st

Join us as we give thanks for the role of Father's and most of all; for our Heavenly Father. All Father's present will receive a gift to help them "measure up".

What do these all have in common? **They are NOW tools that Pine Run is using to minister to others.** Quite remarkable how this 153 year old congregation and 60+ year old minister have been led by Christ to adapt to our "new world"!
