Mason**

What a blessing it has been to see a boy who grew up at Pine Run go on to do so much for the Kingdom of God. We rejoice to support Buddy and his ministries. Providing Bibles in Russia, helping people throughout our country with food and necessities during times of crisis; besides his sharing of the Gospel through music and message. He has been a faithful servant of Christ for over 70 years.

May God continue to bless Judy and Lowell as they minister together!

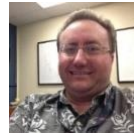

**David & Dawn  
(Berry) Degler  
A Christian  
Ministry in the  
National Parks**

They have used “Zoom” to hold training sessions, and despite the “shut downs” in various states across our land, they aim to be in 75% of the parks they normally are. Praise God as He has led them through these unique times to find a way to minister and share the gospel to others.

Pray for God to continue to Bless. Keep David, Dawn, their family and ministry in prayer, there in Colorado!

**David Anderson**

We were blessed to be able to visit with David for a brief time. The passing of his grandmother, Eudora Shook, brought him back to our area. During her memorial service, David shared the lessons she had taught him through the years.

Upon his return to Hawaii, he had to go through 14 days of quarantine (assuring he did not contract covid19 while in Michigan).

Pray for David that God will grant him wisdom, guide and help deal with additional stress created by this crisis.

**MISSIONS WE SUPPORT**

**BESIDES:**

- Helping Others Prepare for Eternity (H.O.P.E.)
- Mexican Mountain Mission
- Great Lakes Christian College
- Great Lakes Christian Home
- His House Campus Ministry
- Love, INC.
- Rock Lake Christian Assembly
- Wolverine Christian Service Camp

Expansion of the lockdown in Michigan and new guidelines that State is mandating has led to Rock Lake cancelling their summer camps this year. They STILL have expenses for insurance, maintenance, wages and more but will not have the income from their campers. They will be in need of extra individual support to help them through this year.

We anticipate hearing similar news from Wolverine and possibly the Campus Ministries and Great Lakes Christian College; depending

on how much longer we are “semi-closed” in Michigan.

Continue to keep our missions in prayer that finances will continue to come in, their people will remain healthy and they will be ready to resume their service when this passes!
