share ideas on how we can minister effectively during these times.

Who would have thought that this crisis would result in our impact growing exponentially? Those being touched go far beyond our community to individuals in different states, even different countries.

God has also been faithfully providing the resources we've needed so that we can continue to keep bills paid and carry on all of this work.

Last month we highlighted the changes that God had been making, that allowed us to have numerous resources for people to use in their own "home ministries" during the "lock down." We will be keeping those changes in place as we continue to see what our government(s) require.

We are thankful for the response of our people. This has enabled us to "stay in touch" and keep people aware of prayer needs, as they arise. The online streaming of services and posting of sermon videos has been extremely productive as we have seen a steady growth of people that are blessed. We went from our average worship attendance before the quarantine to over 30 people reached the first week. Easter Sunday, we were requested to "livestream" our service on the Owosso Church of Christ site (their minister was indisposed) and we saw over 200 people respond. The week following, we "livestreamed" our service on our facebook page and we reached more than 120!

Our website continues to see a surge in usage as well. Our puppet shows on youtube are reaching more than a dozen children a week.

We have also been called upon by local leaders to help our community address the challenges being created by the covid19 crisis. "ZOOM" meetings also included meeting with ministers from around Michigan to

Food Distributions

**Saturday: May 9th
9 - Noon**

Sts. Charles & Helena Catholic

Significant increase in participants due to the COVID19; led to us running out of food and having to schedule an additional distribution in April. Our first distribution in May will consist of a SEMI-TRUCK load of food (nearly double what we "normally" receive). We are also scheduling an additional distribution in May.

**Saturday: May 30
9 am - Noon**

The threat of covid19; was deemed to be a crisis that requires more than just a day of prayer. We responded by putting together a daily program of prayer that was implemented in April. You can find daily "PRAYER UPDATES" on our Facebook page.

If we are allowed to meet, you will find meeting information for May 7th on our Facebook Page and website!
