“Stay at Home” has many restrictions, but our response by posting sermon videos and livestreaming worship has enabled Judy and Buddy to “join us” and be blessed by our ministry.

They are so appreciative of our continued financial and prayer support of their work.

Pray not only for them, but also the complications he has faced with getting some of his articles posted on Facebook recently.

A Christian
Ministry in the
National Parks**

Navigating this ministry during these uncertain times requires wisdom and guidance that only God can provide. How do you prepare for the summer? What are the restrictions in EACH location? What will the ministries look like? Are there tech innovations that can be used?

Pray for God to Bless. Keep David, Dawn, their family and ministry in prayer, there in Colorado!

David Anderson

Covid19 has created additional stress at the Navy base in Hawaii where David serves. It also has created changes in their “home church” ministry.

Pray for David that God will grant him wisdom, guide and help deal with additional stress created by this crisis.

Great Lakes Christian Home
His House Campus Ministry
Love, INC.

Rock Lake Christian Assembly
Wolverine Christian Service Camp

Spring Retreats and Women’s Banquets that were scheduled by our camps and Bible College are being cancelled due to the covid19 pandemic. Closing of Universities also affects the work of Campus Ministries. The residents of Great Lakes Christian Home are among the most vulnerable to the virus.

Rock Lake is announcing that they are planning on limiting weeks of camp to 35 campers and will be adding procedures to safeguard the health of all.

Campus Ministries and Great Lakes are trying to determine what their ministries will look like when the crisis is over.

Continue to keep our missions in prayer that finances will continue to come in, their people will remain healthy and they will be

ready to resume their service when this passes!
