Lowell and Judy continue to faithfully serve the Lord through the oversight of:

- Bibles to Russia
- Operation “We Care”

Besides his providing inspiration with his “thoughts” on Facebook and opportunities to sing God’s praises.

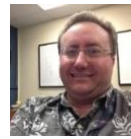

Give thanks for the blessing they continue to be and pray for God to keep working through them to share His love with others!

Ministry in the  
National Parks**

Covid has called for ACMNP to change their annual meeting that was to be held to a VIRTUAL MEETING. We are so thankful for David and Dawn continuing to find ways to serve the Lord through this pandemic. Keep praying for them and the ministry of ACMNP!

**David Anderson**

Covid has caused their home church to rely on “ZOOM” meetings. David, due to his service in the Navy in Hawaii is prohibited from leaving the islands during this time.

Pray for his family (children away at college), especially during the holidays that they find ways to stay in touch, as well as safe!

**God Raises up Preachers**

36 preachers sent out into villages in India this year

following training. In October, they have started training an additional 25. Those that have gone out, are being used of God not only to reach their villages, but are inspiring others to come for training. The teachers VOLUNTEER their time as they teach a new generation how to share God’s Word.

Keep praying for these and other servants around the world who serve faithfully and selflessly!
