

**Let God Speak to YOU!**  
**Communication is important in EVERY relationship**

<http://pinerunchurch.org/reading-his-word.html> .

John’s Gospel was written to help people believe in Jesus. Let God speak to you each day, with more testimony to grow your faith. Our messages each Sunday will tie in to the reading from the past week to help reinforce and further develop the lessons that God has for you!

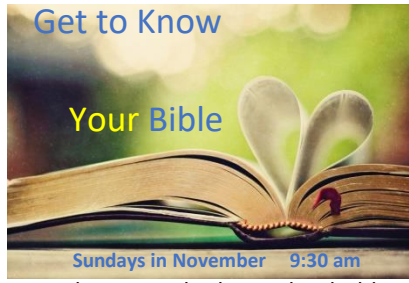

**Take Time to Talk to God!**

November is a great time to expand your prayer life (if you haven’t already) to give thanks for faithful servants and the work of God among us. Giving thanks will also lead to God showing you additional ways that you can be praying for these people and ministries.

It doesn’t take a genius to figure out that it is GOD who is at work in our lives and ministry at Pine Run. There is no possible humanly way we could accomplish and be involved in everything we are, if it were not GOD at work. He creates the opportunities, means, provides the resources and blesses the efforts.

Pray for Him to continue to work and allow Him to work in a greater way through you to encourage and build up the body of Christ!

When you look at the boldness and courage of our leadership, **REALIZE: THEY ARE ACTIVE IN READING AND STUDYING GOD’S WORD!** You can experience the same transformation and joy of seeing God at work through you.

This past month we saw how God worked through: Thunder, tumors, rats, and a child to accomplish great things. We will continue to see God work in surprising ways as we study in I Samuel in November. Join us on Sunday Mornings at 9:30 and open your eyes to what GOD CAN DO!

**Pick up a copy of our midweek study guide.** It focuses on famous Bible characters and at what point in their life did God use them. Discover that He might have more ways to use your life, then you realize at this stage!

In October we studied about Abraham, Jacob and Joseph and how God used them even in the “later years” when many in the world would have “retired” and been content to “rest on their laurels”. It may lead you to consider and see ways that God can use you to minister to family, friends, neighbors, co-workers and others!

**GOD CONTINUES TO BLESS!**

Our furnace went out. God provided by having the part “under lifetime warranty”; so the heat exchanger was free and we just had to pay for the labor. God then has provided additional income to cover it and other expenses as we move towards paying off the remainder of the “insurance bill”.

We experience God opening doors of ministry to former members in various ways (encouragement, teaching, support during crisis, etc.) We see God answering prayers for our people as they face trials of various kinds.

God lifts our spirits and resolve as visitors come and worship with us.

God impacts lives in our community through our involvement with the various agencies and Food Distribution.
