

Let God Speak to YOU!
Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html> .

This is a great time to get started with daily Bible Reading, if you haven't already. We will be reading through the Gospel of John over the next 3 months. John wrote this to help readers believe that Jesus is the Son of God.

Join us as we remember Jesus' coming to earth, start of and early ministry. Messages on Sunday will be based on the previous weeks reading.

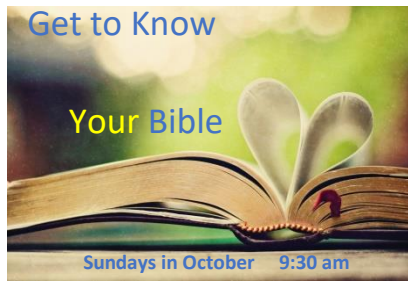

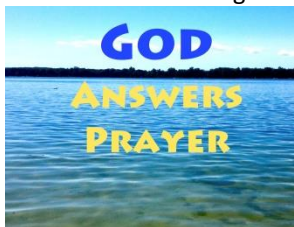

Take Time to Talk to God!

We continue to see God answer prayer. We are thankful for Gladys' return to health, safe travels for the Miller's and God continuing to bless and work through the people and ministry at Pine Run.

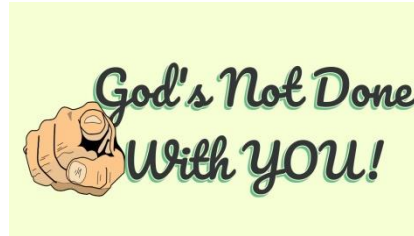

In addition to your list of family members and friends that you pray for, please include prayers for:

- Pine Run Ministry
- Missions we support
- Unity of believers in Clio area
- Provisions for needy in area
- Clio Schools Administration
- Carter Middle School
- Our nation
- Local businesses

God is at work and we look forward to the blessings as we challenge people to turn from sin, submit to God and ask His blessings!

Each week we are amazed as we see God work in spectacular ways during the time of the judges. We now move to the time of Samuel and the start of the Kings of Israel. Explore who God chooses to work through, discover God showing His people His incredible power and surprising them with the return of the Ark of Covenant! You will begin to realize and see how God can work in OUR LIVES and MINISTRY when we rely on Him!

Pick up a copy of our midweek study guide. It focuses on famous Bible characters and at what point in their life did God use them. Discover that He might have more ways to use your life, then you realize at this stage!

GOD CONTINUES TO BLESS!

Just 1 year ago, our leadership looked at the church finances and how they had been drastically affected by the moving to glory of a couple key members in the past 1 ½ years. There was a realization that we

would not be able to continue without some drastic changes. We cut our budget to "bare bones" and knew that it would still require for God to work to keep the doors open. He obviously has answered our prayers. We praise Him and also give thanks to those who have stepped up to increase their support for the work.

As we have shared earlier, even with financial cutbacks, God has exponentially expanded the impact of the ministry at Pine Run Church of Christ. Keep in mind, that we lost two faithful servants of the Lord, during this past year! We rejoice for Faye Cockrill and Eudora Shook receiving their reward; but we do miss their physical presence when we gather.

LIVE STREAMING & MORE!

We will have up to 10X more people see our service on Facebook than may attend in person! People can also watch the service at any time later in the week by clicking that video link on our facebook page.
