

**Lowell “Buddy”
Mason**

website:

www.lowellmason.com

Our connection with “Buddy” began in 1942 when his dad, Lewis Mason was hired as the minister at Pine Run Church of Christ. Lowell would grow up at Pine Run and begin his Gospel Music Ministry as a child, here. The connection has continued through the years as he went on to do Evangelistic Services around the world. He would start a “Bibles to Russia” ministry that continues to this day. Later God would use him to start: “Operation: ‘We Care’” that provides food and supplies to American areas that are hit by storms.

A “few” years have gone by since our first connection, but we continue to give thanks for how the Lord works through Buddy!

A Christian
Ministry in the
National Parks**

Our connection with Dawn also began back in the 1940’s when some of her family became members at Pine Run Church of Christ. She was born much later than that, but grew up at Pine Run until she went off to attend Great Lakes Bible College. She would meet David Degler, who would go on to become one of the two leaders of A Christian Ministry to Pine Run Church of Christ

the National Parks. Dawn continues to serve the Lord in Colorado.

David Anderson

David’s grandmother became a member of Pine Run Church of Christ in the 1940’s. Decades later, he would grow up at Pine Run before heading into the Navy. He serves in Hawaii as chaplain and also helps lead a home church, there.

**God
Raises up
Preachers**

Little did we think last year that God would us this past year to establish contact with believers in India who had a dream to start a Bible Training Institute. We have advised and helped them along the way. They just celebrated the graduation of 16 students who will be starting ministries in local villages. Their first group of 20, earlier this year, continue to preach in area villages and all have become self-supporting as they share the love of Christ.
