**Mission of the Month:**

LOWELL "Buddy" Mason returned home to join us for the 150<sup>th</sup> Anniversary of Pine Run Church of Christ back in 2016! This was shortly before a major surgery that has since curtailed much of his travelling; but has not stopped his from sharing God's love and Word! He faithfully writes words of inspiration and encouragement daily. He continues to oversee various missions as well. God has truly blessed him and his ministries.

One of the greatest blessings God has bestowed upon Lowell, has been, Judy: She has been a

faithful coworker for the Lord, by Buddy's side. She has cared for him through illness and surgeries. Together, they have been used of God to transform lives and impact the nation of Russia! Continue to pray for them and for others to come alongside and carry on the missions that they have begun!

**WE ASK YOUR HELP!**

If you think you could be sick with covid19; we ask:

- Be seen by a doctor
- Get tested
- Stay Isolated at home until better (let us know if you need someone to pick up medications, or food from store, etc.)

For the healthy; we offer masks, hand sanitizer, disinfectant wipes, personal pre-wrapped communion, if wanted.

**ROCK LAKE  
Has  
WATER  
DAMAGE to  
Breaker Wall**

High waters at Rock Lake this year allowed water to rise above the breaker wall and erode and eventually damage the wall. It will need to be replaced before next year's camp season. They are looking at installing a steel retaining wall with a cost estimate of \$25,000. They are currently taking pledges and donations via their Facebook page.

Through prayer, study  
& holy living!
