

**Let God Speak to YOU!**  
**Communication is important in EVERY relationship**

<http://pinerunchurch.org/reading-his-word.html> .

The Daily Bible Reading that you can find in the church foyer or on our monthly calendar will finish the Gospel of Luke this month. Each day, a segment of the reading and a brief devotional thought is shared on our Facebook page. This is also passed along to over 100 workers in 29 different countries of the world. They find that it encourages and strengthens them for the work that they have been called to do for the Lord.

Join us as we remember Jesus' ministry, death and resurrection this September.

**Take Time to Talk to God!**

We are so thankful that we can lay all our burdens before the Lord. We see repeatedly His answers to prayer.

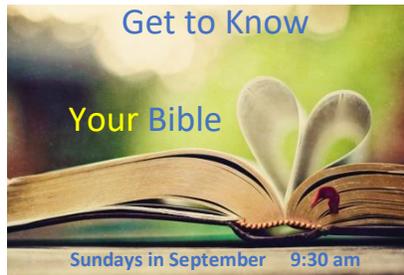

This September we are asking for you to pray as children are scheduled to return to schools:

- Teachers have peace as they resume their classes
- Administration/Staff have precautions and plans in place
- Parents have peace as they send their children
- God will keep all safe from Covid
- Prayer Service on Sept 10 be supported
- See You At The Pole on Sept 23 be used to encourage and bless
- Local churches be faithful in lifting up their selected school in prayer

Also keep in prayer regarding covid:

- Businesses allowed to reopen

- People take proper precautions
- God keep us free from Covid
- Community unites in CARING for one another

We continue our study of "Battle Lessons" as we move through the book of Judges. We are amazed at the patience of God as Israel repeatedly turns away from God, only to cry out for Him to help them when they are in trouble (and He does) We see how He uses ordinary people to do extraordinary things. Looking back, it is clear the wisdom of how He has them face the enemy. These lessons help us in our lives as we realize that God will forgive us when we turn back to Him, He can use us to do amazing things and that while we might not understand, we KNOW that His way is BEST!

Come and explore and discover God's truths for YOUR LIFE!

**GOD CONTINUES TO BLESS!**

God continues to provide and look out for this ministry. Air Conditioner goes out, outside faucets need work and God provides the means to take care of them.

We witnessed as He provide over \$3600 this past month for the

Food Distribution ministry; not only taking care of the existing balance but covering the costs for a couple months into the future. He raised up the Burleys and Trinity Assembly of God church to help pay for and host monthly Food Distributions starting in October and going through 2021. Other congregations have stepped forward to help with the costs as well.

God also has put together a coalition to help develop our "Virtual Family Ministry" program. Within a week of it being discussed, God brought together teachers, homeschoolers, ministry leaders and parents from 5 States and a foreign country to work with us in making this a reality. During that time, over 60 Bible lessons; 140+ songs; 30+ weeks of Bible Verses for various age groups and 50+ Mission/Ministry ideas were assembled. The group has been staying in contact via Facebook Messenger and has a ZOOM meeting. The goal is to have the first lessons up by early September and add at least one a week of the "advanced" version. The basic will have content; the advanced will include the "bells & whistles" where youth can do the lesson on their own.

How else will God bless?

Where else will He lead?

How can He use you?

What amazing things will He do?

Join us and be a part of Christ's powerful, impactful Kingdom!
