Songs are age appropriate and will reinforce the truths of God's Word, lead to personal relationship with God and be fun.

Activities may be work pages, crafts or projects that remind them of the lesson are will be age appropriate.

Games can be selected for the family to enjoy together, strengthening their relationships and building memories.

Mission/Ministry ideas will explore multiple ways that people are sharing God's love and helping others.

Families can choose as much or as little from each lesson. These choices may be based on time available, what is of interest or age appropriate.

The age brackets are:

- Pre-school
- Kindergarten-Grade5 (age 5-11)
- Grade 6-Grade 8 (age 12-14)

In August, the church Board unanimously approved developing an online service that will provide families with resources/ideas. Covid has caused many congregations to discontinue children's programs, families developing own Bible study programs and expand homeschooling. Unfortunately many of the "online" programs and resources can be cost prohibitive.

- Bible Verses
- Songs
- Activities
- Games
