Mission of the Month:

Clio Area Human Services Fund helps individuals and families who are in need. Utility help, food, emergency expenditures and more are ways that they help others.

They are key to the "Food Backpack" program administered by the schools that assure children have food over the weekend.

They recently received a grant and used a portion of it to help with the Food Distribution program that we oversee at Pine Run.

They have also established a fund for businesses that have been affected by covid to help

them survive during this pandemic.

WE ASK YOUR HELP!

If you think you could be sick with covid19; we ask:

- Be seen by a doctor
- Get tested
- Stay Isolated at home until better (let us know if you need someone to pick up medications, or food from store, etc.)

For the healthy; we offer masks, hand sanitizer, disinfectant wipes, personal pre-wrapped communion, if wanted.
