Another “Birthday Celebration” is in the books for Buddy! We rejoice for God allowing him to enjoy his family, as he carries on his ministries for the Lord!

Ministry in the  
National Parks**

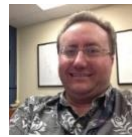

Another “Birthday Celebration” for Dawn as David and she continue their service to the Lord!

We feel more strongly than ever that God has called ACMNP to love and serve those in national park communities. With the CDC recommendation to limit travel and group interaction, many of the park partners we work with are living through a time of uncertainty as they figure out how to stay financially afloat with limited visitation and also plan forward without much foresight to what would normally be a busy summer.

We want to call the ACMNP community to prayer. Please remember leaders in national park communities who need to make big decisions. Please pray for those working in the hospitality industry who are living paycheck to paycheck. Please pray for those who have been affected, that they

may recover quickly and limit the spread of the virus. Please pray for the world as we learn to trust in God, lean on one another, and show more grace and love than fear.

**David Anderson**

David grew up at Pine Run and now ministers for the Lord as he serves in the Navy. Located in Hawaii, he continues to take online training for ministry and serves in a “house” church.

It is uplifting to see what God is doing through the ministries of our foreign contacts. 20 new preachers are going into villages in India with an additional 16 to join them in September. Many groups are in the processing of harvesting crops which will be used to feed the people in their area. Others are celebrating fresh water that has been made available for drinking, cooking and irrigation. Reports continue to stream in of new people that God is adding to the family of believers. We are also hearing of several ministries that are looking to expand their services to reach additional groups. God is at work, encouraging, providing, guiding and strengthening these workers for the Lord! Continue to pray for them and their service to our Savior!

**Teaching  
the Word  
(through  
our  
Website)**

Our website ([pinerunchurch.org](http://pinerunchurch.org)) offers many personal Bible Studies and Bible Stories for children. We quickly became aware with the “Virtual Family Ministry” that more could be done, but our present site was not going to be able to handle the volume of material. Our present site will continue to host all those materials that it has all along. The new website: [www.virtualfamilyministry.com](http://www.virtualfamilyministry.com) will focus solely on those “Family” programs.

Take advantage of these studies and share them with others! THEY REMAIN FREE!
