

Let God Speak to YOU!
Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html> .

This month we will spend time in 3 different books. You will want to stay current to keep things in context. You can also visit the Pine Run Church Facebook page for a “snippet” of the Bible Reading and a thought for the day to go with it.

Spend some time with God in His Word and see what it has to say about our lives and culture today.

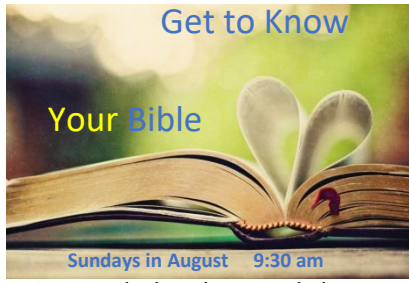

Take Time to Talk to God!

We are seeing an increase in health issues for our people. Usually they will have 1 issue that we are praying about, but recently we have seen an increase of individuals with multiple issues. Treatment of one can have a detrimental affect on other systems in the body. Doctors struggle to find the proper balance.

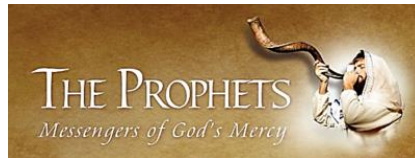

Stay informed so you can pray for one another more thoroughly and effectively. We are thankful for the answers to health issues. We also see the Lord blessing people in other areas of their lives as well as spiritual growth.

The more God has expanded the ministry and our awareness of what is happening with one another, the more we realize the need for God to work in and through us!

Our study has been enlightening and the participants are feeling more comfortable with the contents of the book. We are seeing the importance of a thorough knowledge of what God has done previously, as it helps us to better understand what He is planning on doing. We have seen Satan try and imitate the work of God (leadership, miracles, guidelines for life, etc.) in an inferior way that leads to destruction. Unfortunately, many people in the world are deceived. We also see the Devil’s commitment to persecute and attack the people of God. The closer we look, the easier it is to see the supremacy of Christ and the assurance of His Eternal Victory!

Join us on Sundays at 9:30 for these encouraging messages for Christians!

Isaiah is known for his prophetic messages regarding the coming of Jesus (Virgin birth, Emmanuel, eternal kingdom, Servant nature, Day of the Lord, etc.) We also discover that God was reaching out to the surrounding nations with a message calling for repentance. Those that refused, were warned of upcoming punishment. Repeatedly, we see that God was faithful and carried out exactly what He said that He would. This is important to understand.

God, today, is reaching out to people with a call for repentance or they will face punishment. Many people find it hard to believe, but all

they have to do is look back and see that God keeps His Word.

What message does God have for you in this study? Warning? Hope? Victory?

GOD CONTINUES TO BLESS!

You have read how God has provided resources that we have been able to share with others.

God continues to raise up workers to help us as we need. Later in August, Deb and I will head off for a 40th Anniversary trip. God has raised up Guest Speaker: Bill Brossman and an accompanist: Jackalyn Anderson-Hill (possibly a second!!). When Ray is gone the first Sunday in September; Charlene Anderson will be leading worship.

God has provided income above our expectations. He has also provided savings and more. When our insurance was going to go up by more than 3% of our yearly income, He showed the way to a savings of several hundred dollars for coverage that is greater and more suited to our situation.

GOD IS GOOD!
