

**Let God Speak to YOU!**  
**Communication is important in EVERY relationship**

<http://pinerunchurch.org/reading-his-word.html> .

We will be reading through both books to the Thessalonians and getting over half way through the book of Hebrews in October.

The letters to the Thessalonians will see the Apostle Paul reminding them of the basis of their faith and how it should affect their daily lives.

The book of Hebrews is a “change of pace” as it will emphasize the supremacy of Jesus Christ compared to the various elements found under the Old Covenant (Angels, Moses, High Priest, etc.). The writer uses numerous Old Testament passages to show that Jesus and His role was planned by God.

Feed daily upon God’s Word. The daily Bible reading can be found on the monthly calendar or you can pick up a daily Bible Reading program in the church foyer.

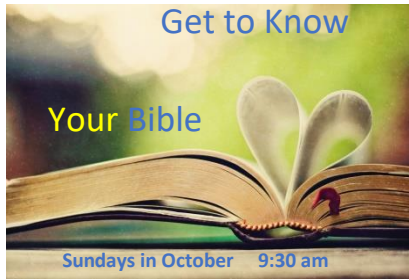

**Take Time to Talk to God!**

We are so blessed that God is always there, ready to listen and answer our prayers. Let’s expand our prayer lives to include:

- Praise
- Thanksgiving
- Spiritual Development
- God’s Will being done
- Wisdom

And then witness what God can do!

We continue to see how Satan uses inferior efforts to deceive people. Beast of the Sea (a lion with leopard body [smaller and weaker]) compared to: Jesus, the Lion of Judah. Beast of the Earth (a lamb who deceived) compared to: Jesus, the Lamb of God and TRUTH.

We are now seeing the lady lead leaders and nations astray with the title: “MYSTERY”. The death in repulsive acts she offers with that name compared to: MYSTERY OF GOD (salvation of mankind).

We continue to see signs of God fulfilling His prophecy all around us.

Learn more of what is coming by joining us as we continue our study of the last days! We meet in the basement of the church building on Sundays at 9:30 am!

Our study of Isaiah continues as we see God proclaim the coming of the Messiah and the Servant heart that the Messiah will have.

Get involved and be blessed by this study as God warns Israel, who have succumbed to temptation and are ready to be destroyed by God; while He preserves and gives hope to a “remnant” who remain faithful, even after the others have turned away. These studies are made available each week in the church foyer!

**And more**

**GOD BLESSES**

We are witnessing strong use of our social media and website.

We have been blessed with opportunities to see God’s handiwork and family members.

God continues to provide for our financial needs.

God continues to provide food for the monthly distribution at no cost (we simply have to pay for a truck rental and help load/unload the food).

God continues to provide savings along with people who are willing to help meet our needs.

God continues to show us the path that He has for us; and our leaders continue to pray and pursue.

God uses us in ways that reach far beyond our physical gathering.

God is helping people find support and encouragement from one another.

**LIVE STREAMING & MORE!**
