RESURRECTION CELEBRATION

April 4th

So many things to grab out attention, so God has set up important times that recall us back to where we need to focus. Christmas we celebrate: Jesus' Birth; Easter-His Resurrection; Fall of the Year-Give thanks for Harvest. These are yearly events that draw our attention to God. Last year during the Covid pandemic, they were vital to help us remember that God would help His people through.

Make time to gather with God's people (yes you can do that this year) and remember the victory that Jesus achieved. Realize again, the forgiveness He made possible and the price that He paid. Savor the hope that is ours in Jesus for all of eternity.

Renew your commitment to Jesus as you join us in worship on April 4th at 10:30 a.m.

Think how the ministry at Pine Run has grown through the years that you have been attending. Appreciate that God has taken it from a local group to a ministry with worldwide influence. He has expanded it's impact in our local community. It has become a force in brining believers in our community together. God has helped the congregation adapt over the past 150 years, and though in a building nearly that old, has brought it into the digital age.

Walking around the building (inside and out) will remind you of faithful servants of Christ who have gone before us. Peruse the church history books in the back of the auditorium or check out some of the "new" items on display (Copies of deeds for the church/parking lot from the 1860's; pictures of a former parsonage, and more).

Ask yourself:

- How has Pine Run affected my walk with Jesus?
- How have I helped make a difference at Pine Run?

Appreciate and understand that you are a crucial part of Christ's Kingdom and the work at Pine Run! Savor the fellowship as we continue to work together for Jesus!

School Administration
& Carter Middle School

God has worked and kept the doors open. There have been a few instances where it was contemplated shutting the doors, but God raised up people who were committed and used by Him to keep the light shining
