

Lowell "Buddy" Mason

website:
www.lowellmason.com

Lowell is the only person alive, that I know of; who has been involved with Pine Run Church of Christ for over 1/2 of her 155 years of service. We have been blessed by Buddy's service to the Lord. Judy and he, continue to pray each day for our work.

Give thanks for Lowell and Judy and praise God for what God has done through all of us!

David & Dawn (Berry) Degler
A Christian Ministry in the National Parks

If you are travelling to a National Park this summer, stop by the ACMNP.com website and find out if there are worship services provided there. You can look for your park and find the when, where, besides directions.

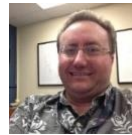

This would enable you to enjoy a time of worship with God in a setting that will further inspire your praise!

We are pleased to support the Degler's with our mission money and appreciate keeping

in touch with what's going on in their lives (ministry & personal)

ACMNP is looking for prayer partners for the various teams. If you would like to support a team member in prayer, please email info@acmnp.com

David Anderson

It is a blessing to have David's youngest with us for a couple weeks. His son, is helping out Charlene with sorting through boxes and getting the house resettled. He will return to Oregon for his Senior year of College.

David has been joined in Germany by his wife. She happens to be more fluent in German, than he. Pray for them as they get settled and discover what God has for them there.

The weekly broadcast on Sundays @ 10:30 AM on our Facebook page enables us to be a blessing to more people than could attend in person.

Wolverine Christian Service Camp

There are over 100 servants of Christ around the world that we also contact daily with scripture and devotions through Facebook Messenger. Many of these are serving in isolated areas and could easily get discouraged feeling all alone (we know that experience from COVID isolation). It's not surprising that many will reach out with words of appreciation for the time and effort we put into encouraging them.

Teaching the Word (through our Websites)

We had more visits and visitors this past month than any June for the past 5 years. We are glad to provide the studies and resources we do. We have been reminded recently of their importance through requests for "study materials" from people outside our "area". Take some time to explore and check out a free Bible Study for yourself!
