Remember to pray for
School Administration
& Carter Middle School

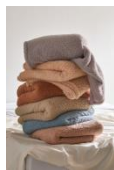

CLIO CHRISTMAS CELEBRATION

Local businesses, organizations, schools, churches and community leaders are joining together to provide assistance to 100 Senior Citizens and 150 families during the holidays. The goal is to provide: ham or turkey, bags of food, necessities (soap, deodorant, shampoo, etc.), blankets, toys and a gift for each family. The goal is to raise \$11,000 by December 1st (over \$7000 is already committed); Rotary is collecting blankets at various locations, schools and churches are running toy drives, and local stores are helping with the food.

Please make all donations by December 5th at Pine Run so that we can get the resources where needed.

Everything will be distributed on December 17th from 2-6 pm at the New Covenant Church on Linden Drive in Clio.

The Clio Human Services Fund (one of our missions); is spearheading this drive.

Food Distributions

3 Years of organizing and overseeing Monthly Food Distributions has come and gone. We are thankful that the Lord worked through us to distribute God provided over half a million pounds of food that was given to over 20,000 people during that time period.

We are thankful that God has raised up the Trinity Assembly of God in Mount Morris to carry on this work.

The Next Food Distribution:

Saturday: December 11 th

9 – 11 am

Burley Farm

1271 W. Dodge Road

What do these have in COMON?

Our leadership continues to pray for God to keep the doors of this congregation open; despite the number of leaders is dwindling. They are acting in faith and planning for 2022. Themes for Worship, Bible School, Midweek Studies and Bible Reading have been selected and being finalized.

Our focus will be on **CHRISTIAN INVOLVEMENT**. Our faith was never intended to be a spectator event. We will be seeing how God works in and through the lives of the faithful.
