

**Let God Speak to YOU!**  
**Communication is important in EVERY relationship**

<http://pinerunchurch.org/reading-his-word.html> .

We will complete the "General Epistles" in the month of December. James deals with the "Basics of Christian Living." Peter deals with helping Christians live in the midst of persecution.

John focuses on the importance of loving others as God has loved us.

Jude concludes with a warning about "false teachers".

We see in these letters the importance of: knowing WHAT WE BELIEVE; LIVING a life of love and service and encouraged to remain faithful in difficult circumstances. These are important messages for Christians around the world as we finish up 2021!

Read daily and be strengthened by God as His Spirit works in your life!

**Take Time to Talk to God!**

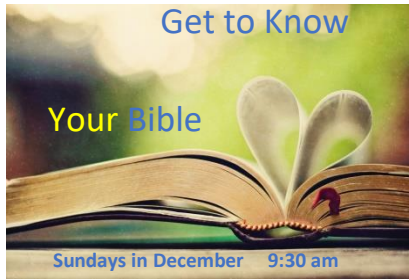

We were reminded in early November of the importance of praying for Christians around the world, especially those facing persecution.

As we share as a body, we are reminded each week of the importance of praying for one another.

God answers prayer, but as you read His Word, you find that how HE works, is much different than how we would have prayed for Him to work.

Remember that vital lesson, that when He's not "answering" as you expect to look and you will discover that He is working in this situation to help you overcome, not only in the present, but also in the future!

One or the realities of our study, has been how much of the content of Revelation, had already been revealed in the Old Testament. Going back to the OT passages, also provides extra insight into what John is seeing. It is also a reminder of how God has anticipated and prepared a plan. He assures His people to remain faithful for they will be victorious, if they do not give up!

We will be finishing the last 2 chapters of Revelation in December. These focus primarily on Heaven and the new life that God has for His people.

Learn more of what is coming by joining us as we continue our study of the last days! We meet in the basement of the church building on Sundays at 9:30 am!

Each week, we prepare and make available in the church foyer, Bible Studies from the Old Testament Prophets. December will focus on the book of Jeremiah and the message that God had for Jeremiah to deliver to people who were being punished for unfaithfulness and the future that God had in store for those who remained faithful.

Take time to pick up a new sheet each week and see the message that God gave to His people about 2600 years ago, and see what you can find that would apply to our lives today! You will be amazed how relevant this material is!

**Our missions were surprised by the size of the checks they received in November as the result of God blessing our giving in October.**

**In November, it was time to "renew" our website for 3 years. The bill of \$560 was more than what the board felt comfortable with at this time, so we contacted our "server" for a 1 year rate. We were informed that a 1 year rate would be just a little over \$130! When we inquired why so much cheaper, they came back with a new rate of \$330 for 3 years! God saved us nearly \$60 next year on our website fee!**

**God continues to bless, and the congregation has been able to resume some of the "basic" expenses that had been cut a couple of years ago!**

**We are thankful for everyone's generosity and how God is working through your giving and saving us money, as well!**

**online LIVE STREAMING & MORE!**

Livestreaming begins around 10:30 AM on Sundays.
