

Let God Speak to YOU!
Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html> .

Our daily Bible Reading has been taking us through the book of Acts. We are seeing that when Satan attacks, God is ready and through His people uses it to further strengthen and expand the Kingdom.

If you find yourself struggling with challenges, you will find guidance and ideas of how to handle them with God's help. He can take those situations and show you that He is still in control and looking out for you.

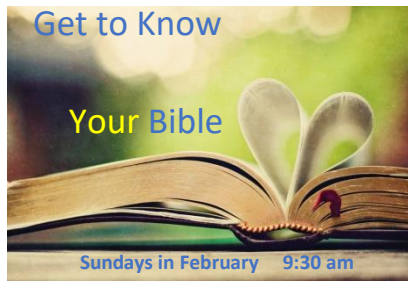

Take Time to Talk to God!

We have spent a great deal of time during the month of January praying for comfort and strength for those who have lost loved ones. We pray for their families that they might be inspired by the example and legacy that John Dougherty and Gladys Carlson have left.

We pray for those that God will raise up to join with us in sharing the Gospel through the ministry at Pine Run. We are thankful for those returning and for new people who have come.

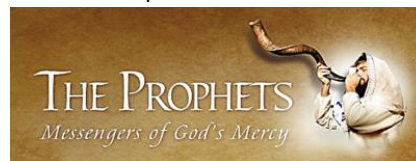

We know that our future is completely dependent upon God blessing and working in our midst!

We will be studying the book of Revelation this year during our Bible School time. Lesson sheet are available in class and also in the church foyer.

We are seeing the glory, power and authority of Jesus. He also demonstrates an involvement and awareness of what is going on in each congregation and the challenges that they face. He praises the good, points out any flaws and calls for them to remain faithful.

Join with us and learn what Jesus sees and emphasizes.

Pick up a copy of our midweek study guide in the church foyer.

2021 we will be focusing on lessons from the Prophets. In February, we will continue our study of the prophet, Elijah. This is a man through whom God worked mightily, yet was also prone to discouragement. Learn how God worked through him, changed a nation and how God addressed the issues that often discouraged this man of God.

You will find help for your own walk with the Lord.

Past studies of Nathan and Elijah can also be picked up in the church foyer at your convenience.

GOD CONTINUES TO BLESS!

Year end giving statements have been put out/sent. If you need one and haven't received it, please let Paul know. We are so thankful for all the people that have given and/or increased their giving this past year. God provided more resources in 2020, despite COVID, than we had in 2019!

We continue to see great demand for the food Distribution (due to COVID and people unable to work). The 650+ people in January was up from 351 people in January in 2020! It would have been the 3rd highest in 2020. January the previous 2 years, had been one of our LOWEST months. Fortunately, God is providing about double the food from previous years!

God continues to use us to help expand support for those in need in our community.

God is continuing to work through us to encourage and help preacher training in India. They are preparing to accept another 30 students (highest number yet) and will be selecting them from 82 applicants! God is blessing!
