Welcome Home!

Gladys Carlson and John Dougherty rested from the earthly labors and have gone home to be with the Lord.

Gladys was a member at Pine Run for over 50 years. For decades she could be found greeting people each week in the foyer. She helped with numerous dinners, took care of Financial Secretary and Record Keeping matters for the church as well.

John was a member of Pine Run for over 14 years. He would be found unlocking doors and turning on the lights. Then he would be among the last to leave, making sure doors were locked and lights turned off. John also served for several years in leadership and as a Trustee.

We will miss these two as every time the doors were opened, you could count on them being there.

MISSIONS

We recently learned that Great Lakes Christian Home is now being managed by a Mennonite group committed to spreading their beliefs. Our Board is looking at moving our support.

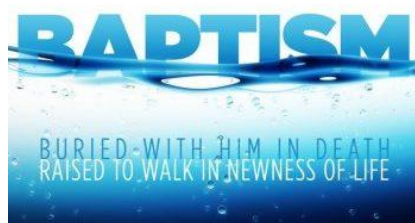

We have tried to support local benevolent works, but our experience with LOVE, INC. in Genesee County has been discouraging.

A local benevolent group we have worked with is the Clio Human Services Fund. They have helped us in the past with thousands of dollars to assist with Food Distributions. They have also taken surplus gift cards we have at the holidays and working with the schools have seen they went where needed. They have expanded their work from:

- Helping with rent/utilities
 - Helping with food & necessities in emergencies
 - Food Backpack program in schools
- To also include:
- Necessities Boxes
 - Emergency Clothing at Schools

Remember to pray for
School Administration
& Carter Middle School

We rejoice with the angels in heaven:

Jan. 24 Marie Flores made her commitment to live for Jesus Christ! We look forward to
