

Let God Speak to YOU!
Communication is important in EVERY relationship

Our daily Bible Reading program has been completed for 2021. We will be reading the book of Acts and then the letters to the various churches during the course of the year. The program is available in the church foyer, will be available online on our monthly Calendar and Bible Reading page. Sermons will come from the previous weeks Bible Reading.. The emphasis throughout the year will be on growing as the workers God wants us to be. This theme will be a blessing to us, as well as to workers around the world who are receiving daily portions and devotions based on our program.

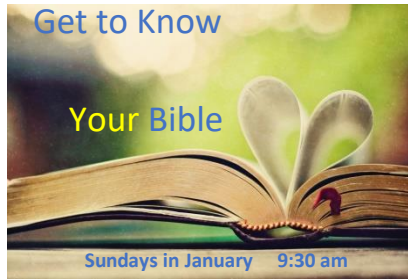

Take Time to Talk to God!

A congregation that averages about 10 people a week, majority are over 70 years of age; KNOWS the importance of PRAYER! We are here today (individually and as a body) because God has answered prayer!

During a year of COVID; God continued to EXPAND our ministry and outreach. Limited resources, funds and manpower; mean nothing when you PRAY!

Join with us, and fellow believers around the world in praying daily for the work of God to be done!

We have covered ALL of Scripture during the past 6+ years. This year, we will be taking a closer look at the Book of Revelation. We KNOW, we will not understand all of it. It is NOT INTENDED to give a timetable or be a puzzle to figure out. It was written to ENCOURAGE those facing persecution. God PROMISES to BLESS those that read this book along with those who Hear it and Take it to Heart. Reading, Listening and applying what we can; this we ALL CAN DO! Come and be blessed each week and let God transform your life!

Pick up a copy of our midweek study guide.

2021 we will be focusing on lessons from the Prophets. *If you feel that you don't know much about this---* **THEN YOU BETTER PICK UP A COPY EACH WEEK!** *If you have been through the prophets before, have a handle on who they are, who they spoke to and some familiarity with their message--* **THEN YOU BETTER PICK UP A COPY EACH WEEK** and get even better acquainted! *IF you already know everything there is to know about the Prophets--* **SEE PAUL AND YOU CAN WRITE THE LESSONS EACH WEEK!!!**

Spend time in God's Word and He will bless you and reveal His will!

GOD CONTINUES TO BLESS!

God works in ways that continue to amaze. December God saved the congregation over \$2000 on expenses! Sometimes God provides money, sometimes savings, sometimes resources or workers; but He ALWAYS PROVIDES!

One of the "new" ministries that has taken root and reaches people DAILY is the Facebook page of Paul St. Louis that posts multiple pictures from God's Creation with a very brief devotional thought. One of our members spending the winter in Texas is seen following the post daily. Others from all over the world are also being blessed. Feel free to copy, and/or share these posts on your page and reach even more with God's message!.
