Mission of the Month:

PROMISE is an auditioned 6-day music camp (July 25-30) designed as a strong musical and spiritual growing experience for high school students. The week is spent on the campus of Great Lakes Christian College, and includes morning devotions, rehearsals, training in worship leading, times of worship and fun activities. It all culminates with a worship event on campus for family and friends.

The College also offers “get-a-ways” for Ministers and Youth Ministers (youth workers) in July to get /share ideas and fellowship.

They continue their search for a new President, as President Carter will be leaving following the next school year.

NEXT BOARD MEETING:
July 18th following Morning
Worship

It’s amazing how God can not only help us through the loss of health and/or loved ones, but bring additional blessings besides. I have seen repeatedly over the past few months, people who have experienced tremendous loss, be used of God to bring blessings to others. Some have shared experiences with others now going through it. Others have found ways to lift up or lighten the load of others. Some have been not only the recipient of blessing during this time, but also a giver of blessing.

As we are getting to know the “newer” people coming in, we find that they also are facing difficult times. They are discovering that Pine Run cares, shows an interest, prays and has people who will find ways to help as possible. Those trials then become reason for thanksgiving as they realize that God and His people care about them. They are not alone. The world is not filled with heartless individuals, but there are people who truly care.

Take time to get to know the people around you, and give them the chance to get to know you! You will find that Christ will enable you to be a blessing to each other!
