Remember to pray for
School Administration
& Carter Middle School

Michigan is beginning to open up as a larger percentage of the population is receiving the vaccine. This does not mean that COVID is not still a threat in our world.

Our contacts in India have had to suspend their leadership training because their area is under lockdown. Police have taken to the streets to assure churches are not having services. People are having difficulty getting food. The incidence of Covid spreads with one of our congregations having over 50 people infected. 6 people died in one day in that congregation.

Continue to pray and rely on God, while you take the necessary precautions.

Food Distributions

The impact and outreach of this ministry has grown. Last month we served people from 24 communities representing 6 different counties. Local demand continues to decline as people are getting back to work after COVID shutdowns.

The distributions have become much more difficult to schedule with the Food Bank of Eastern Michigan being short of drivers. We have had to cancel 2 distributions (demand has been down significantly, so that has helped) and the one coming up has been a challenge. We are tentatively going to be renting a truck and picking up 1/2 the food on Friday and the rest early on the 19th for Distribution.

Saturday: June 19th

9 – 11 am

Burley Farm

1271 W. Dodge Road

"Snow Birds" Return

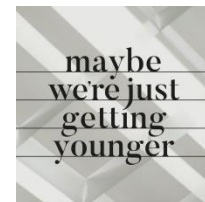

Charlene Anderson and Mary Smith have returned from "warmer climates". They are both staying at cottages 1-2 hours north of us, but will be making the journey to join us in worship.

Charlene quickly got involved and helped lead a prayer group during the Noon Program for the National Day of Prayer. She will also be filling in for Ray Carlson as Song Leader when needed.

Mary will be helping with the flower beds around the church (particularly the one for her mother, Faye Cockrill).

Make sure you let them know they are missed and we are thrilled that they are back.

RETURN OF YOUTH

Jaydin Moore, Savannah Littlejohn, Selena & Marianna Armstrong are becoming more faithful in their attendance. Jaydin is also working on his education, Savannah is working and been taking some college classes besides. Selena has her hands full with Marianna.

It was about 5 years ago, all three of these young people attended Rock Lake Christian Assembly through scholarships that we provided.

Coupled with the Millers grandson joining them on occasion it's great to see all the young faces who can be blessed by the example of faithfulness and dedication of the others in the congregation!
