**Mission of the Month:**

Overall the Campus Ministries around the State of Michigan have been going well. The University of Michigan in Ann Arbor ministry has been in decline. To address this: His House is looking at a “relaunch”. They are closing the existing program, raising thousands of dollars to reinvest in better facilities and additional staff to reach this key group of students.

One of their alums from the Ann Arbor campus shared her testimony in their recent newsletter. She elaborated how the relationships that she formed with the other students in the

ministry were so vital and beneficial in her Christian walk. She was recently back with her child who is starting their collegiate studies.

Pray for God to guide their efforts.
