What a blessing that Judy and Lowell have been through the years. We are thankful that they keep our ministry in their prayers daily and keep up with what’s going on here. They had a “little taste” of home, as they were greeted in April with snow on the ground one morning (of course it melted away quickly!).

Continue to pray for this godly couple and their service to the King of Kings!

**David & Dawn  
(Berry) Degler  
A Christian  
Ministry in the  
National Parks**

Many are probably unaware, but Dawn was a part of Paul and Deb’s Wedding 40 years ago. We are so thankful for the ministry that David and she are a part of. Training workers for the Lord to serve in the National Parks across the Country is a wonderful task. People being confronted with the beauty, glory and majesty of God’s creation around them and being able to find workers who can share with them more

about the God who made it all. Keep them and their work for Jesus in prayer!

**David Anderson**

David and his family are still dealing with the threat of Covid. A recent report added 73 cases (thankfully NO fatalities); bringing the total s to 31,000+ cases and 474 deaths attributed to the disease. We are thankful that over 1 million vaccines have been administered in Hawaii.

Keep David and his wife in prayer as they help lead a home church on the island.

We rejoice when we see people who were unable

to make it to worship, show up on our “livestream” site. We rejoice when we see people who live far away that are blessed through this part of our ministry as well. God has used this to help us encourage believers in far distant countries as well. Know that when you come to worship, God will use your presence to bless others; and when you can’t come, you can be one of the ones blessed!

The weekly broadcast on Sundays @ 10:30 AM on our Facebook page enables us to be a blessing to more people than could attend in person.

**Teaching  
the Word  
(through  
our  
Websites)**

Our website continues to generate a good volume of traffic, thought people are spending less time on “sites” than they were just two years ago. We are glad to provide the studies and resources we do. We have been reminded recently of their importance through requests for “study materials” from people outside our “area”. Take some time to explore and check out a free Bible Study for yourself!
