prayers and/or financial support we have provided.

We look at those who are part of the congregation and remember how we have prayed, encouraged, comforted and supported one another in times of need.

Harder to see, are those impacted by our social media and website. We are averaging over 650 visits and over 1800 pages viewed per month.

May we continue to follow Jesus wherever He leads us and know that He will continue to impact lives; even long after we are gone!

A walk around and through the building at Pine Run provides reminders of Christians who were faithful. We continue to be shaped and inspired by their lives, though they have been gone for months, years, and some for over a century!

We look at school children who are receiving a much improved education through our prayers and influence through helping shape the school's strategic plan.

We look at families and Seniors who have had less concern about food, because of our role in food distribution over the past 3 years.

We look at young people that have a brighter future because of the involvement and encouragement we have provided.

We look at a community that has seen believers work together and impact their community through prayer, service and encouragement.

We look at Missions around the world that continue their faithful service; buoyed by the

### Food Distributions

September saw another month where the number of people helped was just under 300. God has used our ministry to help when it was needed most. Trinity Assembly of God in Mt. Morris has been financing and providing the majority of the volunteers each month. May God show us where He is leading this ministry...

The Next Food Distribution will be:

Saturday: October 9th  
9 - 11 am  
Burley Farm  
1271 W. Dodge Road

Remember to pray for School Administration & Carter Middle School
