**SEPTEMBER 5**

The leadership decided that with their absence on September 5<sup>th</sup> and the only ones we KNEW would be present were the Guest Speaker, Guest Pianist and Song Leader, that it was better to just cancel the services for the week.

Services will resume on September 12<sup>th</sup> and we are praying for God to work to prevent this from happening in the future.

**Food Distributions**

August saw another month where the number of people helped was just under 300. We are looking closely at this downward trend to see if it will continue after school resumes. We continue to need volunteers and workers as we have to unload the truck by ourselves (after loading it at the Food Bank).

**The Next Food Distribution will be: Saturday: September 11th**

**9 – 11 am**

**Our Clio schools are working on reconfiguring for the school year and start classes after Labor Day: Pray for:**

We are praying for students to encourage other believers at their school by participating in this event. May these young people gather to pray for God to work in and through them to be a blessing at their school!

Remember to pray for

Some blame COVID, Government incentives to stay home or just laziness. It's time for people to remember God's teaching: "If a man will not work, he shall not eat." (2 Thess. 3:10).

Even sadder it is when Christians fail to be reliable in their service for the work that God needs to be done. "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore to send out workers
