Mission of the Month:

Much focus and attention has been placed on the successful sports teams that the college has. The most recent being the Girls Soccer Team winning the National Championship for their Division.

Faculty and administration changes have been and will continue to take place. The most notable being the retirement of the President of the College, later this year. Part-time professors, instructors and a new Dean of students have recently been announced.

The school is focusing on helping the new generation of servant leaders to live in hope.

30 Pieces of Silver Offering

On April 17 (Easter Sunday) we will be collecting “30 Pieces of Silver” as a way of transforming the money that Judas received for betraying Jesus; into an offering of love. Our collection will be given to the Rock Lake Christian Assembly Scholarship Fund, which enables young people to learn more of Jesus and how to live for Him. It is suggested that people set aside one piece of silver a day (starting March 17) and then bring their collection that Sunday.
