

Let God Speak to YOU!
Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html> .

A couple prominent people (John & Timothy) will be featured in our reading along with a couple congregations (Philippi & Thessalonica). As you read, you will discover that people (and churches) haven't changed all that much. God is still reaching out and helping them to be all they can be!

Discover how God can help you (and has helped you already). Spend time daily allowing Him to speak to your heart!

The daily Bible reading is on our monthly calendar, website and copies are available in the church foyer!

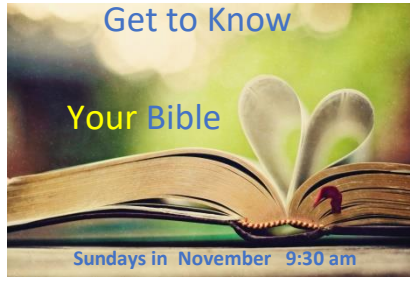

Take Time to Talk to God!

Taking time to praise God and then thank Him for all that He has and is doing is beneficial to believers. This will help you to find peace in the midst of the turbulent world we live in. Remembering what God continues to do for you will help you to bring other issues before Him.

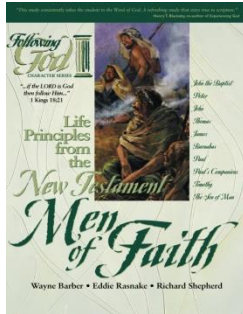

When you get "frustrated", "upset", "angry", etc. about how things are going, feel free to vent to God. He knows your heart already so it's not going to "surprise" Him. It will help you vent, and the other parts of your prayer time will remind you that "all things work together for the good of those that love Him."

Communication is a two way street—Let God Speak (Bible Reading) and then you speak (Prayer)!

November will be a time when we will gain greater insight on what it was like to live in Jesus' day. The community, home, school and children' raising of the time will be looked at. This knowledge will enable us to better grasp how Jesus can work in our life as well!

Join us on Sundays at 9:30 as we finish this study!

Men of FAITH

In November we will complete our study of the "New Testament Men of Faith" with studies on Thomas and also on Jesus.

We will then begin a study through the end of the year entitled: "On the Way to Emmaus". This is reference to Jesus explaining to a couple disciples, following His resurrection, how God was fulfilling His plan through Jesus.

How this fits in with all the rest of God's Word will be better seen as you read through the Bible in 2023!

You can pick up copies of these studies by seeing Paul each week.

We are thankful for those that are stepping up to help and encourage others. When Deb was out (due to respiratory infection—NOT COVID), Austin stepped up and took charge of the live streaming and running the Power Point for our worship service.

When visitors came, people took time to introduce themselves and connect with common interests.

We have received encouragement and financial support from people in Ohio and Tennessee during the month of October.

Different organizations, including the Vienna Township have shared how they are relying on our Community Calendar!

LIVE STREAMING & MORE!

Livestreaming begins around 10:30 AM on Sundays.
