

**Let God Speak to YOU!**  
**Communication is important in EVERY relationship**

<http://pinerunchurch.org/reading-his-word.html> .

This month we focus on “lesser known” followers who made a tremendous difference. Behind the scenes, helping others, staying focused on serving God, and willing to do what THEY could.

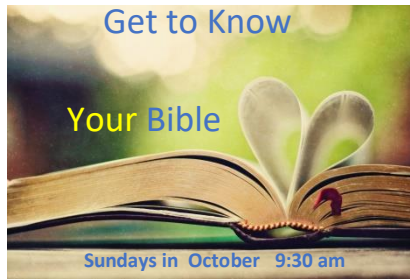

These are the stories that will encourage and inspire you to become all that God wants you to be. You will see how God can use YOU to make a difference as well.

The daily Bible reading is on our monthly calendar, website and copies are available in the church foyer!

**Take Time to Talk to God!**

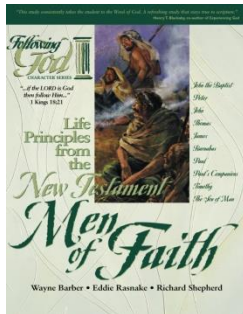

We have been focusing on: Praying for the work of the Kingdom, praying for those in need, praying for our schools and for unity. This past month we encouraged people to focus on praying for people who need to know Jesus. We will continue with that emphasis in October. As the world around us is changing, let us challenge the people around us to let God change them as well. It is amazing what God can do. Share your thanks with God for what He’s done in your life and then ask for Him to work through you and others to mightily impact the lives of people you know!

In October we will finish our study of what “life in the Temple” was like and shift to looking at the daily life of individuals in Jesus’ day. This will help us to better understand what living for God on a daily basis looks like and how it compares to the lives of the rest of the world.

Join us on Sundays at 9:30 as we finish this study!

**Men of FAITH**

Pick up a copy of our “midweek” personal study guides and discover many of the ways that God worked through men in the first century church. Many of these were ordinary people whom God transformed, others were people that were challenged to make a drastic change of direction in their service to God. Some of these will be familiar; others less so. They were all instrumental to the work of Christ’s Kingdom and can serve as an inspiration for you!

These studies are available in the church foyer; with a new lesson added each week!

**BTW:** If you missed out on one or more of the “Old Testament Prophet” or “Women of the New Testament”

studies (which again will be helpful next year); pick up a copy of the set in the church foyer or ask Paul!

God has been raising up people and providing resources. We are blessed to have Belinda Miller helping with the plants in the church building. Her grandson, Austin has started helping with the slides for worship. Deanna Jones was a tremendous asset as flowerbeds were cleaned out, transplanting took place and even rocks were moved. Other plants have been added to the Prayer Walk Park besides. Over 1/3 of the funds needed for the remainder of the signage for the Prayer Walk has been given.

We are thankful for the opportunity to serve our community by the provision of the “Community Calendar” and promotion of various events. Leading the way in emphasizing the “See You at the Pole” and the “God Loves You Tour” in our area is another way that God is working through us to unite believers.
