

Let God Speak to YOU!
Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html> .

Young people back to school, emphasis on workers; people meeting needs, offering hope; are you ready for September? God can help you deal with all of these situations. His Word will equip you for every good work-- He promises!

Join us in September as we read about people who found ways to be used of God. Men and women who found opportunities to help and did. Others that realized that they needed to make significant changes in their life; and with God's help—they did!

Then come on Sundays for Worship and see how God will strengthen you and how you can encourage others!

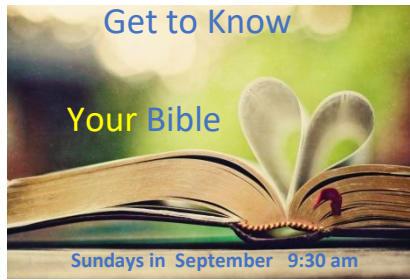

The daily Bible reading is on our monthly calendar, website and copies are available in the church foyer!

Take Time to Talk to God!

So many areas where we are becoming more involved as a congregation; requires that we continue to pray and seek God's guidance and strength. We can be setting the example for those that participate in the "See You at the Pole" on Sept. 28th. We can be helping to prepare for changed lives by praying for the "God Loves You Tour" on September 29th

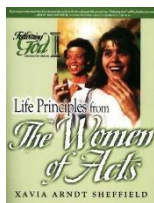

Remember to be praying daily for the parents, students, teachers, staff and administration in our schools. May God give them harmony, wisdom as they work together. Pray that His values and principles will be taught!

Our study of the Temple in Jesus' Day, brings out how people were "going through the motions" but the intent and relationship that God desired, was not grasped. It has been a reminder who we need to focus on that personal relationship with God. Our prayers is not a "ritual" but a conversation. Our Bible Study is not a "lesson" but a message from God. Our service is not a burden, but a demonstration of love for God and others.

We also are gaining greater insight into the wisdom and purpose of God. What He established for Israel can help us to grow closer to Him as we understand what He seeks.

Join us on Sundays at 9:30 as we finish this study!

Women of the Kingdom

Pick up a copy of our "midweek" personal study guides and discover many of the ways that God worked through women in the first century church. Living in a Patriarchal society, these women found life and opportunity among the people of God. They would play key roles and make major impacts.

These studies are available in the church foyer; with a new lesson added each week!

BTW: If you missed out on one or more of the "Old Testament Prophet" studies (which again will be helpful next year); pick up a copy of the set in the church foyer or ask Paul!

God has been blessing in so many ways. New people, new member, returning members, growth in faithfulness are all ways that God has encouraged us this past month!

We are thrilled that we have the final design for the Lower Mason Prayer Walk Park mural. It depicts over a dozen Bible events. He has enabled us to complete the work on the boardwalk and preparation of the flowerbeds for perennial plants. Many are already being blessed and encouraged by this endeavor.

The congregation stepped forward in providing school supplies. Working with 6 other congregations, we staffed a booth at the Clio Schools "Back to School Night." Aiding students in signing a banner presented to the administration, handing our school supplies, distributing community resources/calendars and providing 5 photo ops for families was a blessing! Over 3,000 people showed up for the event!
