

Let God Speak to YOU!
Communication is important in EVERY relationship

Our Daily Bible Reading in April will feature a couple weeks where our daily Bible reading will be leading up to Palm Sunday and Easter. Remind yourself of what Jesus was doing nearly 2,000 years ago and be inspired on how you can live a more abundant life for Him!

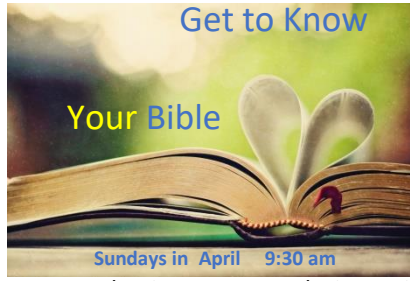

Plans are underway for NEXT YEARS Bible Reading that will be even more ambitious. Israel was to read the law together as a people once every 7 years. We will be reading through the entire Bible in 2023. For some, this may be your first time. To start getting ready-- Keep up with our present program so that you will be better prepared for 2023!

Take Time to Talk to God!

God has answered our prayers on so many different fronts. We have prayed regarding: personal health, health of family & friends, provision, guidance, community situations, world situations, mission work. He can hear and answer your prayers as well!

Take time to remind yourself daily: who God is; the power that He has, His willingness to answer the prayers of His people according to their best interests (His perspective, not our limited perspective). Remember to give thanks also, for what He has done!

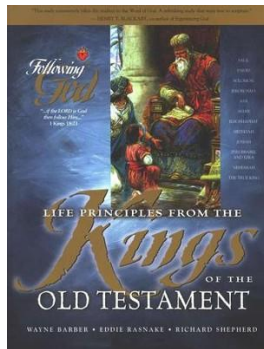

We begin a new study in April, that will look at the Feasts that God established in the Old Testament and how Jesus is seen and fulfilled them.

- Sabbath
- Passover
- Firstfruits
- Pentecost

Will be our focus in April. You will notice that the second and third correspond to Palm Sunday and Easter!

This study will be of great benefit not only now, but also next year when we read through the Bible. Familiarity will help as you read and the Spirit of God will help you to recall the things that you learn this year!

BTW: If you missed out on one or more of the “Tabernacle” studies (which again will be helpful next year); pick up a copy of the set in the church foyer!

MIDWEEK STUDIES AVAILABLE

We are starting a new study on the Kings of the Old

Testament. Studies will be available on the table in the foyer each week. Take advantage of this as it will make the Bible Reading next year easier, by knowing who these people are.

BTW: If you missed out on one or more of the “Old Testament Prophet” studies (which again will be helpful next year); pick up a copy of the set in the church foyer!

We are thankful for the opportunity that the Lord provided in allowing us to have a part in a community assessment being done by the United Way, along with a seat at the Strategic Planning for the Clio Schools. Such involvement also enabled us to be prepared when the Vienna Twp. Business District opened up grant opportunities for exterior repairs and improvements (matching dollar grant). Our Board has applied for help with repairing, sealing, relining our parking lot, work on our sign and repair of our back gate.

We are thankful that God has provided Belinda Miller to help with our inside “plants” (repotting and nurturing to health); Mark Janke who will be working to help expand our flower beds and some other landscaping issues.

God has also already “saved us” over \$1800 on the cost of the parking lot (even without the grant!)

God is faithful in providing for our needs and direction!
