REACHING THE WORLD

How can God use a “small congregation”? It is BECAUSE we are small, that God is glorified by what He does THROUGH us. People know it’s not because of “our resources” or “our wisdom”. That only leaves GOD to be glorified.

God has lifted us up to be advisors to government, school and other church leaders.

God has lifted us up to encourage missionaries and preachers in small congregations all over the world.

We received this message from an individual we have been sending daily messages from God’s Word and devotions to for over a year:

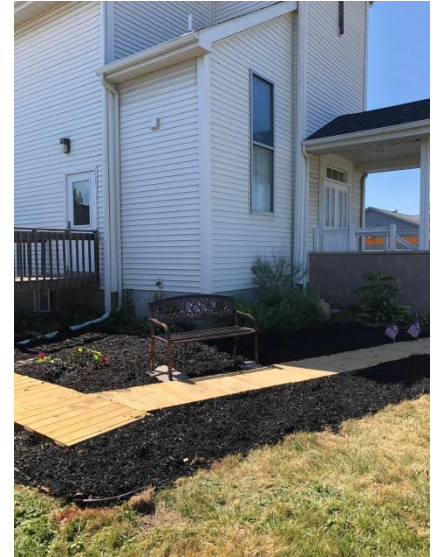

“I need to know your church coz your Blessings me a lot I’m happy for it. I will pray one day you expand in KENYA. I have been always keep to follow your teaching. Your really making me to trust this church.”

A leader in the Philippines writes following a daily message from us: “Glory to God... Thank you so much... Praise God...”

A worker with orphans in India writes, “God bless you...”

God says, “so is my word that goes out from my mouth: It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it.” (Is. 55:11)

God is blessing and working through us all over the world!

LOWELL MASON PRAYER WALK PARK

Still under construction, mural still being designed and yet, God is using the Park to be a blessing!

This project is generating interest from people in our community and all over the country. There are people several states away who are wanting to travel to see the park once it is completed.

Even now, God is using it. Our website page for the park (<http://pinerunchurch.org/lowell-mason-prayer-walk-park.html>) is one of the most visited pages on our website. Several have taken time to visit the various “Prayer Walk Stops) (10 stopes total) to see the prayer ideas and view the numerous Scripture passages.

We are thankful for people that God has raised up to help us with the design and development of the Park. He continues to provide and multiply resources. At present, God has multiplied the giving to accomplish 10 times what we had expected it to accomplish!

Continue to pray for God to work mightily through us & in our world!
