

**Lowell “Buddy”
Mason**

website:

Lowell continues to battle the cancer and his loved ones deal with the dementia that plagues him. We continue to send monthly support as his wife, Judy, not only cares for “Buddy”, but also continues the work of the missions that he had been so involved in running for decades.

We are also able to minister to his family as well, through prayer and knowing that the work of their father is being remembered. The children remain faithful in their service and dedication to the Lord. This is a further testament to the impact and example of Lowell.

Continue to pray for this family, their ministries and for the work on the Lowell Mason Prayer Walk Park.

**David & Dawn (Berry) Degler
A Christian Ministry in the
National Parks**

We expect the summer months to be busy for ACMNP. God is using them to help with relief efforts in Yellowstone, minister to people in East Glacier following a shooting that left 3 dead, besides

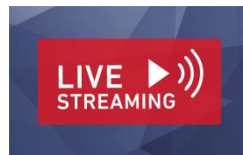

their regular “ministries” in National Parks across the country.

They were also recently featured on a “Jesus is Calling” podcast.

The ministry is busy recruiting and preparing for a winter season (6-7 months of service) at: Big Bend, Death Valley, Great Smoky, Everglades, Zion or Grand Teton National Parks.

Continue to pray for the team members as God works through them this summer. Pray for the leadership as they respond to opportunities for ministry. Pray for workers to step forward to help advance the work of this ministry for Jesus!
