Mission of the Month:

Clio Area Human Services Fund is active in numerous ways in our community. They provide assistance to families in need (utilities, rent, clothing, food, etc.).

They oversee the school food backpack program (which will be starting up in the next month). CAHSF runs the "Safety Net Store", helps with Clio Christmas Celebration and coordinating humanitarian efforts in our community. Last year they spent over \$100,000 on these various programs.

We have supported them in various ways this past year. Each month we send them financial support. We have provided counsel and support on various endeavors. Our coordination of a "Community Calendar" and "Contact List of Leaders" was recognized by them when the State of

The camp season is about halfway through and the work continues. Recent storm did damage to the dock area. While they were repairing the damage there, volunteers also constructed a new shooting area that provides shade and some protection from the elements. As awesome as these "additions" are; they pale to the additions to the body of Christ as campers give themselves to our Lord!

Continue to pray for the staff, faculty, campers and resources needed to carry on this ministry!
