Mission of the Month:

Intellectual, Spiritual & Personal Growth

A new President is in place and work to maintain accreditation is underway. They are presently on “probation” due to their financial status. Giving is going up and they are implementing more online and “associate” degrees to increase the number of students.

The President has been having “roundtable” discussions throughout the State to allow congregations greater insight in where they are at and where they are trying to go.

Their sports teams continue to grow and perform well. They have Men’s Basketball, Men’s JV Basketball, Women’s Basketball, while continuing the recruiting for Men’s soccer and women’s volleyball..

Great Lakes Christian College presents: *Christmas on Campus*
Dec. 9 @ 7:00 pm.

Keep the new President, focus of the college and finances in prayer!

Located in Vestaburg, MI
November 11-13 they will be hosting a “Crafting Weekend”. People are invited to bring their crafts to work on. Demonstrations, meals, spiritual times will be a part of the weekend activities.

The Camp has also announced their 2023 schedule. While it is TOO EARLY to register, families might want to check out the dates so they can be planning for next summer (be here before we know it, right?!?!?)

Lowell Mason Prayer Walk Park

The planting has been completed for this season with more to do next spring. We are looking at extending the flowerbeds on both sides of the boardwalk leading out to the parking lot in the back.

This winter we will continue to raise funds for:

1. Signage (over ½ of the \$1100 needed is in!)
2. Benches
3. Mural Painting.

Gifts can also be used in honor or memorial, simply let us know and we can recognize them on our Lowell Mason Prayer Walk Park page of our website!

You can also contribute “online” by going to:
