Thankful as the Mason family was able to gather and celebrate Thanksgiving with Lowell and Judy! It has been a difficult year with Buddy's health issues, but the family continues to trust the Lord for strength and guidance.

Keep them and the Lord's work in prayer.

You can also donate in memory of your loved ones, to the Lowell Mason Prayer Walk Park at Pine Run Church of Christ. At this time, all the donations will be going towards the purchase of signage along the boardwalk listing: How God has shown His love, Who God Is, Things to be thankful for, areas for prayer. Please designate your gift and let us know who you would like honored. Gifts need to be \$25 or more. All will be recognized on our website page dedicated to the Prayer Walk Park.. Additional recognition given to higher amounts of giving.

This picture of the office staff was posted on Facebook as they wished everyone a happy thanksgiving. 147 people served in parks around the country this past season. Continue to pray for those that are serving in the parks during the winter months, as well!

Every Sunday morning at 10:30 am we "stream" our worship service. Those that might need to be in other parts of the building (Nursery, child care, etc.), those around the country or world can follow along on our Facebook page.

"Get to know God better" by reading His letter of love. The Bible is God's message to all of us. From beginning to end, you will see His desire to be able to be with us, providing an incredible life, and enjoying our fellowship.

Bible Reading Bookmarks will be available in December which will take you through the entire year. You can choose either the "morning reading" (New Testament), "Evening reading" (Old Testament) or both!

To help you recall what you have read and to help you better understand, we are designing our worship and studies for 2023 to coordinate with the reading.

Our Bible School time will start with answering any questions that people might have from the previous weeks reading (Old OR New Testament). The lesson itself will focus on a portion of the Old Testament reading.

Morning Sermons will pull from the New Testament readings. Take home studies will also be made available that will focus on the New Testament reading as well.

If anyone would like to have a "midweek" study as part of a group, simply let us know and we will do our best!

Think about who you can invite to also read daily so you can encourage and help one another!
