- 25 Praising & Proclaiming

Remember to pray for
School Administration
& Carter Middle School

Right Attitude:

Continue to focus on what God has done, giving thanks and celebrating Jesus and the difference that He makes.

Focus:

Pray and work on being the best servant of Christ you can be. Share His love with others, while proclaiming the Good News! Challenge others to join you along your journey with Jesus!

Schedule:

Daily: Spend time with God in Prayer and the reading of His Word. Pray for God to prepare you for the Reading of the entire Bible in 2023

Weekly: Meet with other believers for worship, challenge and encouragement.

Take Time to watch the Movie, "JESUS" (link on home page of our website).

Invite others to watch the movie, "JESUS" and to join you for worship on December 25th!

By Nov. 30—Church exterior to be decorated, reminding people that Jesus is the reason we have joy and celebrate.

By Dec. 16—donate toys for the Christmas in Clio Distribution

Dec. 25—Join with others in Worship; pick up Bible Reading Plan for 2023 & Newsletter

OUTDOOR CHRISTMAS DECORATIONS

Besides our classic decorations on the porch of the church, we will be lighting the bushes along the parking lot and adding 2 inflatables in the "back yard" of the church to remind people that Jesus is the reason we celebrate. These inflatables are geared to interest the younger people, while the traditional on the porch targets adults passing by on a daily basis. Our decorations will be part of the Clio Chamber of Commerce "Christmas Decoration Contest" which we are praying will help attract and interest even more people.

The inside decorations will be taken care of by Belinda Miller. We are looking forward to her skills being on display throughout the month as well!

You can go to: www.ChristmasinClio.net for more information. Thank you for your generosity with hygiene items, and remember we just have 2 weeks for the toy collection!
